

Student Introductory Guide to Angel

for use with

Students should use this tutorial to:

- 1. Learn how to log in to the Terra Angel MyCourse Portal.**
- 2. See the layout of the Angel homepage.**
- 3. Learn Angel terminology that may be used by some instructors.**

1

Launch a web browser from any internet equipped computer (*NOTE: Most web browsers are supported by Angel. However, Angel seems to work best using Internet Explorer 7 or Firefox 2 on Windows and Firefox or Safari on a Macintosh OS computer.*)

2

In the address bar, type in the following web address:

<http://my.terra.edu/elearning>

https://mycourse.terra.edu/frames.aspx

Alternatively, you can access this same link from your student portal.

The webpage that loads when you click on the Angel MyCourse Portal link or type it into your address bar should look like the page below. Please fill in the username and password boxes with the same login information you use to access your Terra email account. If you cannot remember your password or do not have one set up, please contact the Computer Held Desk at 559.2309

Welcome to Terra Community College's ANGEL learning management system. If you have problems or issues, please look in the appropriate section below.

Student Angel Questions

If you are having problems accessing your Angel course or have questions related to your Angel course, please contact your instructor via their email address.

Student Username/Password Issues

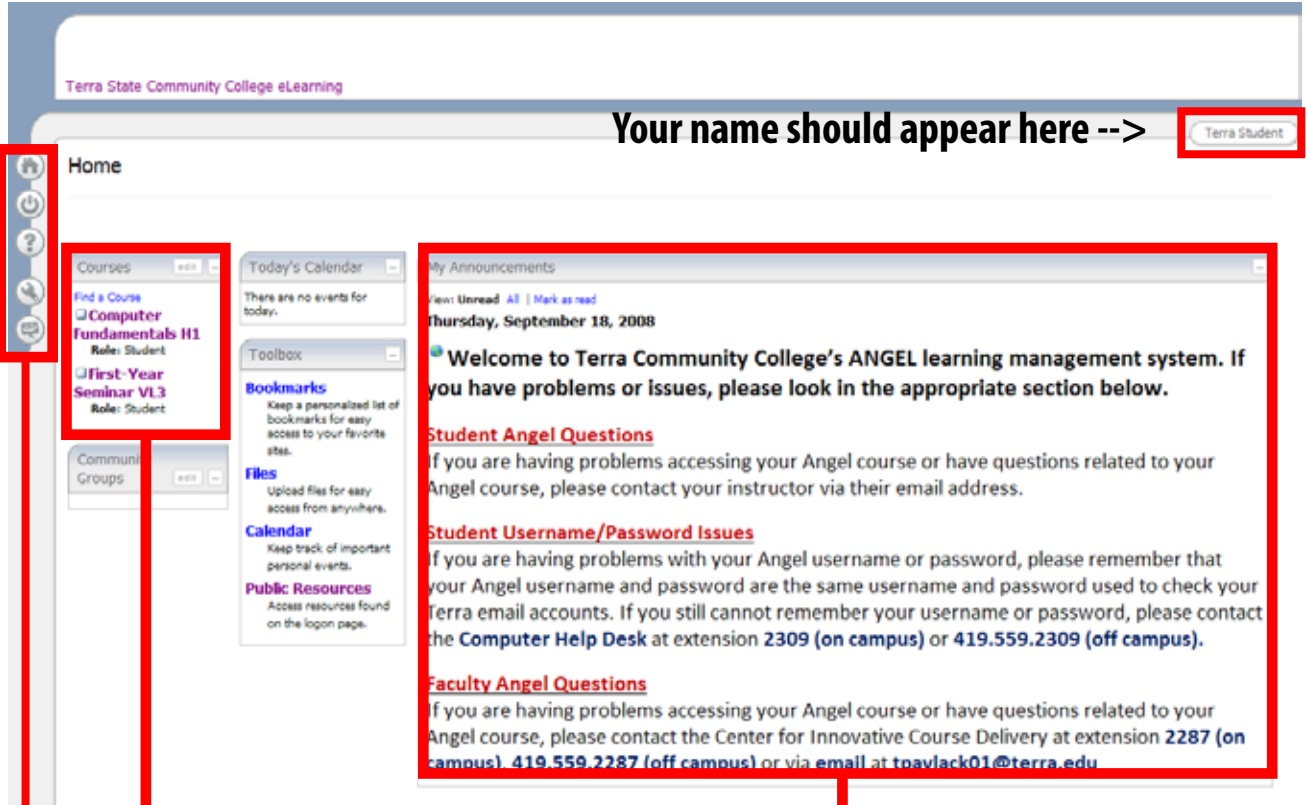

If you are having problems with your Angel username or password, please remember that your Angel username and password are the same username and password used to check your Terra email accounts. If you still cannot remember your username or password, please contact the **Computer Help Desk** at extension **2309 (on campus)** or **419.559.2309 (off campus)**.

Faculty Angel Questions

If you are having problems accessing your Angel course or have questions related to your Angel course, please contact the Center for Innovative Course Delivery at extension **2287 (on campus)**, **419.559.2287 (off campus)** or via email at tpavlack01@terra.edu

4

Once you log in to Angel, you will see the page below. Several important features of Angel are noted on the image below.

Your courses for the current semester. You can click on a course to enter that section of Angel.

Course announcement area. Instructors who use the course announcement feature in Angel will put up announcements that will display on this page for you to view when you log in.

- <-- Home Button - Click here to return to the Angel homepage (the page above), no matter where you are in the system
- <-- Logoff Button - Click here to logout of the Angel system completely. Use this after you are done using Angel.
- <-- Help Button - Click here to access the Angel Student Help Manual
- <-- Preferences Button - Click here to set your Angel portal preferences, including theme and color selections.
- <-- Instant Messenger - Not currently used at Terra.

***If you have any questions regarding Angel, please contact your course instructor for further clarification.**
